

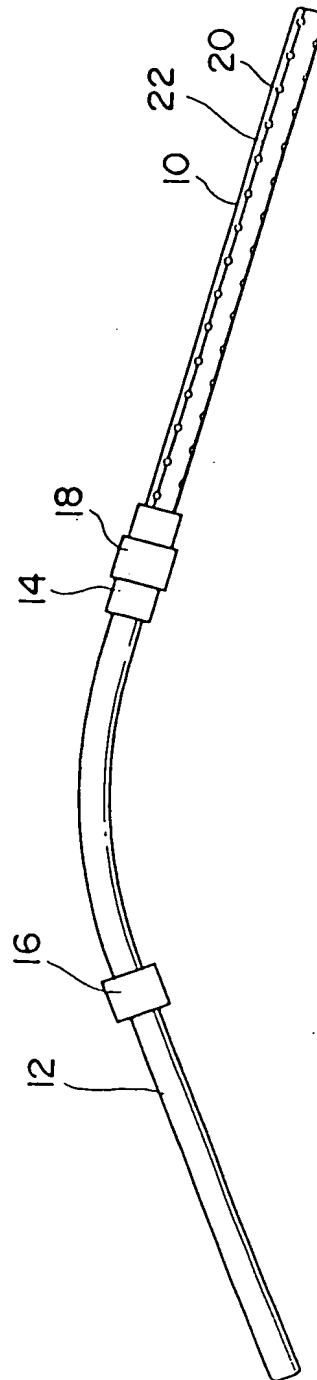

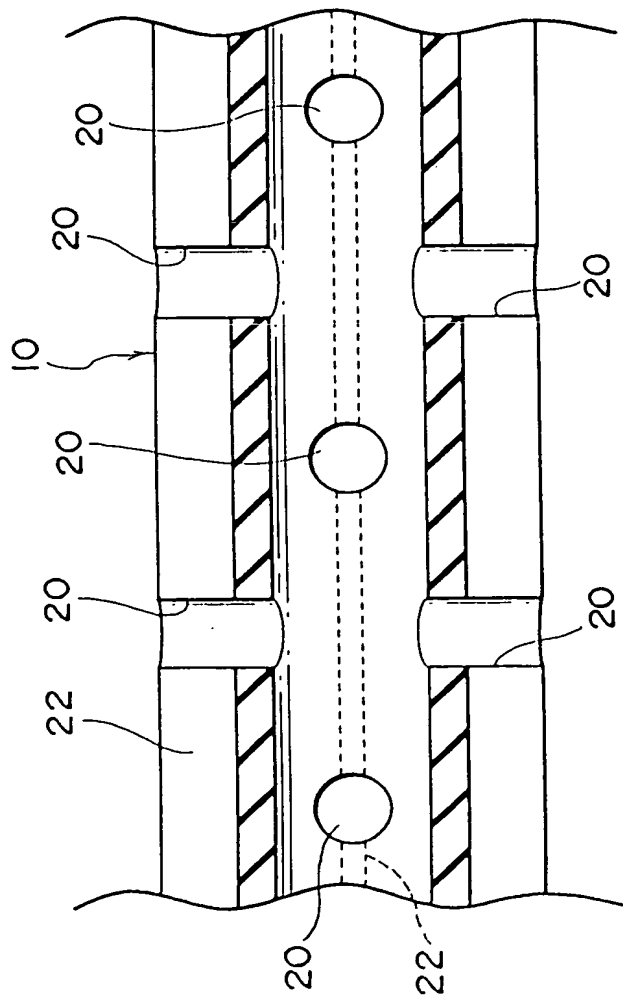

FIG. 1

This diagram shows a cross-sectional view of a multi-layered structure. It consists of several horizontal layers. A central layer, labeled 22, contains three circular features. The layers above and below this central layer are labeled 20. The overall width of the structure is indicated by a dimension line labeled D. The width of the central layer is indicated by a dimension line labeled W. The distance between the centers of the circular features is indicated by a dimension line labeled 10.
